# Improve Accuracy, Consistency and Productivity

AQuity Academy™ is a powerful management tool for ICD-10, CPT, and E&M training and education, uniquely developed to support the learning experience and provide comprehensive management of coders and coding teams.

The online training courses and interactive learning tools in AQuity Academy™ foster enhanced knowledge, quality, and productivity across coding and clinical teams, supporting hospitals, clinics, and physician practices in generating accurate reimbursement, complying with rigorous coding and billing requirements, and avoiding financial penalties.

AQuity Academy™ supports different learning styles through a multi-facet approach to coder training with video instruction and skills assessments that foster accelerated knowledge transfer.

- Comprehensive course catalogue for ICD-10 CM, ICD-10 PCS, and CPT
- Self-paced lessons that are user-friendly and easy to navigate.
- Real-time reporting for consistent evaluations
- Online tools to cross-train coders and provide specialty service-line training
- Content that is developed and delivered by experienced, credentialed instructors
- Easy-to-complete education track for annual regulatory updates
- A dynamic dashboard allowing users and managers to track training assignments and course progress
- Train and learn from anywhere without incurring travel expenses
- CEU certificates for AHIMA and AAPC

## KEY AUDIENCES:

- Coding Managers
- Coders and Auditors
- Clinical & Other Professionals
- Students
