

High Quality, Compliance Driven, and Clinically Oriented

AQUNITY SOLUTIONS WORKFLOW

High quality, secure, stable, and cost effective

Improve coding accuracy and drive strong financial performance with the help of our highly trained and credentialed coding team.

There's a reason AQuity can deliver improved outcomes— we rely upon industry-leading tools and processes. More importantly, we understand the complexities of coding operations and regulations. Our team delivers cost effective Key Performance Indicator (KPI) results. When you partner with us, we ensure that you stay ahead of changing government and payer requirements, delivering workflow control, cost, quality, and turnaround time results that produce appropriate reimbursement and minimum payer denials.

AQuity's cost competitive coding services are backed by our proprietary cloud-based tool QCode to support quality reviews in an endless loop of education. Our proprietary integration of service, process, and technology-enabled quality reviews yields quality scores that exceed national averages.

Our coding team helps clients achieve improved financial outcomes. We support a full range of facilities and needs, from large academic medical centers to small community hospitals and physician practices, and we provide production coding services with domestic, global, or hybrid support.

KEY DIFFERENTIATORS:

- 95% or better quality
- 24-48 hour turnaround times
- Reduction in denials
- Detailed reporting
