

A photograph of a doctor in a white lab coat shaking hands with a man in a dark suit in a bright hospital hallway. In the background, other medical staff in blue scrubs are visible, some talking on a phone and others looking at a tablet. The scene is well-lit with large windows in the background.

## CAPTURE INFORMATION

Gather all the relevant facts and understand the underlying situation

## CREATE INSIGHTS

Distill the data to its core to gain clarity on areas of operational improvement

## DRIVE ACTION & RESULTS

Translate insights into actionable steps to achieve business improvements

# High quality, secure, stable, and cost effective

Let AQuity cover your HIM Director or Coding Manager vacancies while you focus on finding the perfect candidate for your organization.

AQuity delivers measurable healthcare business improvements through a deep understanding of the Health Information Management (HIM) business process and unparalleled service.

When you need someone onsite in a hurry, you can rely on AQuity to bring in the best. AQuity's interim managers deliver peace of mind and department stability. We can also perform operational assessments to ensure optimum ongoing performance. AQuity has more than 25 years' experience engaging hundreds of interim managers across the country to cover HIM Director and Coding Manager openings.

AQuity's interim managers are knowledgeable and detail-oriented professionals that ensure smooth day-to-day operations and compliance with regulatory requirements, providing peace of mind until permanent staff return or ideal replacements are found.

Whether your operation is large or small, the assignment expectation is long or short, things are running smoothly or in a crisis, AQuity will source an appropriate resource to hit the ground running and provide the stability you need until we orient your new staff and our watch is relieved.

## **KEY DIFFERENTIATORS:**

- Smooth day-to-day operations and transitions
- Ability to maintain compliance and work with other key professionals within the organization
- Credentialed and experienced professionals
- Strong support from seasoned national team
